

# VOTER REGISTRATION

The 1998 reauthorization of the Higher Education Act requires all postsecondary institutions to make a good-faith effort to distribute voter registration forms to each degree- or certificate-seeking student who attends classes on their campus.

## LOUISIANA VOTER REGISTRATION INFORMATION

To register by mail, download the [Louisiana Voter Registration Application form](#) and then return a completed form to your local Registrar of Voters office. Please note that the list of Registrar Offices is included on the form. You may also get the mailing address from [this list of Registrar of Voters offices](#). Louisiana statutes require you to be registered 30 days prior to an election to be eligible to vote in that particular election.

Faxed Voter Registration forms are not accepted. The Voter Registration form should be addressed and mailed or hand-delivered to the appropriate Registrar of Voters in the parish in which you are registering. DO NOT mail or otherwise send Voter Registration forms to the Secretary of State Elections Division office - deadlines requiring receipt in the registrar's office may be missed.

For more information on registration and voting regulations see:

[Secretary of State: Voter Information Registration & Procedures](#)

## VOTER REGISTRATION INFORMATION OUTSIDE OF LOUISIANA

Students residing outside of Louisiana who wish to register to vote in their home state may do so by completing the [National Voter Registration Form](#) provided by the United States Election Assistance Commission. Most states require that you register in advance of the election by as much as thirty five days.

Some states do not accept the National Voter Registration form. [Click here](#) to find out if your home state is one of these.

Voter registration information and links to online voter registration forms are sent to all students via email as required by this act.
