

CONTINUOUS OPEN BIDDING/RECRUITMENT & ANTI-HAZING MEETING POLICY

(Established 3/2001)

The Office of Greek Affairs has established an Open Recruitment/Anti-Hazing Meeting Policy to ensure that NPC chapters fulfill the Anti-Hazing Meeting requirement.

Chapters that host an Open Recruitment event are required to register it with the Office of Greek Affairs. According to the National Panhellenic Conference, chapters are required to submit Bids and/or acceptance letters (with signatures, social security numbers, and phone numbers) to the Office.

* Bids/Acceptance letters are due in the Office of Greek Affairs within **one week** after they are signed.

* Anti-Hazing Meetings must be attended within **two weeks** after Bids/Acceptance letters are signed.

Any chapter that fails to adhere to this policy will not be allowed to have social events, on or off campus, until the matters are settled.
