

Consequences

1. DJ's- Will sign a contract to perform at Expo. The contract will state that the DJ is not to curse or play explicit music. Any cursing or explicit music played will be considered a breach of contract and the NPHC will not be responsible for paying the DJ.
2. MC's- Will sign a contract to host Expo unless the MC is a member of one of the NPHC organizations. If a contract is signed, any cursing or vulgarity will be considered a breach of contract and NPHC will not be responsible for paying the MC. If a non-contract MC is being used, he or she will be warned once. Any other violations will result in the MC having to leave the stage and being replaced by whomever the NPHC President sees fit.
3. Special guests or attractions will be informed of the rules and regulations and if they are not followed there will be no warning. They will be removed from the stage and escorted from the building.
4. Any chapter in violation of any of the rules and regulations will be fined. The amount of the fine will be determined by the review board. If a member of a chapter whose show is in question is the current President or Vice-President of NPHC, he or she will remove him or herself from the board and will be replaced by the NPHC Secretary.
5. It is the responsibility of each chapter to make sure that each person stepping is aware of the rules and regulations. Each person stepping must be currently enrolled at UL Lafayette the semester of Expo. A step team roster, including social security numbers, must be submitted to the Office of Greek Affairs. (Deadline date to be announced)
6. If a chapter that has been fined does not pay that fine by the last week of the semester, the issue and the chapter will be taken to the Greek Judicial Board.

NPHC Greek Expo
Rules and Regulations

1. Obscenities, obscene gestures, vulgarity, or profanity will not be allowed. This includes: step teams, MC's, DJ's, and also special guests or attractions.
2. There will be a 15 minute time limit for each step performance.
3. All defamatory or derogatory remarks about other organizations or individuals are strictly prohibited.
4. Anyone caught destroying any property, fighting, or involved in any unlawful behavior will be turned over to the proper authorities for prosecution.
5. Each NPHC organization is required to confirm their act before Expo. Two representatives from the Office of Greek Affairs, and the President and Vice-President of NPHC will make up the board that confirms each organization's act. NPHC recognizes that shows change as organizations practice and decide to add or subtract from their show. Therefore, organizations are not required to have the exact same show that was confirmed by the board, but the board does have the right to deem a show obscene, vulgar, or lewd upon reviewing any tapes of Expo if the board sees fit.
6. Each organization will be presented with a copy of this in which the President is to sign in order for his or her organization to participate in Expo. Each organization will also be given a copy for that organization to keep for its own records in case there are any questions regarding the rules of Expo.

I have read and understand the rules and regulations and the consequences (see attached sheet) of breaking these rules.
