Tyler

Dr. Warren

Obstacles/Accessibility issues:

Tyler brought up low tree limbs on both Rex and Louis streets.

Tony also mentioned excessive amounts of small branches and other remnants around campus.

Carmen also made note of the dumpster being in a handicapped parking space, in zone 2.

Old business:

- Dr. Warren brought up the issue with getting lockers installed in or near the SSD office, and the fact that nothing had ever been decided and or put in to action, to actually get them installed. Brandon then spoke about the issue of the lockers. He informed us that he had brought the request for lockers in front of the SGA in order for them to vote on it.
- Dr. Warren also informed us that something is in the works that would allow all or most class rooms to be on the first floor, especially for those with mobility issues.
- Carmen spoke about the Run Walk and Roll event. She told us that a Hospitality Management class taught by Professor Gina Causin offered to setup a majority of the activities.
- Carmen was also the bearer of bad news, when she acknowledged that we would not be able to have the raffle due to issues with getting a necessary license.
- Dr. Warren then remarked on the ornament sales, and told us that the orders for the children at the CDC were completed. She also informed us that ornaments were also beginning to be sold at the day care where Amy works. Carmen then brought up the need for volunteers to help paint the ornaments at the CDC. The painting would take place starting on Monday October 13th through Thursday October 16th. Dr. Warren also expressed an urgency to help with not only painting but glazing as well, which will take place Friday October 17th until everything is completed. The Secretary, Tyler, will get in touch w/all the COs and request that they call each member to get volunteer commitments.
- The next topic was our cookbook and community card extravaganza at Albertson's. The event will take place on November 1 from 9:00 Am to 2:00 Pm.

- Carmen requested that someone make a recipe from the cookbook to be passed out as favors. Beacon club members will also be allowed to pass out community cards to those shoppers who aren't already a part of the community card program.

Meeting adjourned.
