Old business:

Dr. Warren informed us that our cookbook sells brought in \$400.

She then went on to say that the ornaments brought in \$1070. Carmon reassured us that our raffle would be taking place next semester, which would allow our funds to grow some more. Dr. Warren spoke a little about the Hospitality Management class and what responsibilities we assigned Dr. Causin and her students. They were put in charge of finding sponsors and creating a design for our T-shirts.

As a group we decided that Disability Awareness week would be April 4th-9th, with the Run Walk and Roll being on the 4th.

Volunteers are also needed to help finish up the ornaments, putting ribbons on them, packaging them, etc.

Safety Issues: Bothe Tyler and Vern expressed the concern of low tree limbs around campus.

Appreciation:

Carmon expressed special appreciation, on behalf of all the members, toward Dr. Warren and Dr. Landry. She also thanked Amy getting Sarah's Day Care to contribute to ornament sells. She then express her gratitude towards allow who contributed in helping to get thing done throughout the semester. Carmon, finally, gave us some homework for next semester. She wants use to come up with fresh ideas for Disability Awareness week; she closed by saying she looks forward to text semester.
