Fundraisers:

Our group goal for the 2009-2010 is to raise \$1500.

Cookbook Sales – Dr. Warren stated that Athletics does not allow these types of sales any longer. The group then discussed selling cookbooks and the Albertson's on Johnston on the day of the next UL Lafayette home game.

Useful Memories – Dr. Warren announced that the plates would be available at around \$2 which would ensure our profit margin. Brad stated that he talked to the CDC Interim Director, Susan Arceneaux, and she was happy to have the Beacon Club back for the fundraiser. She recommended that the project be done during Fall Fest when most parents would be around to participate with their child.

Membership:

We discussed membership marketing to increase membership. Our goal is to have no less than 15 active members in the Beacon Club. We discussed setting up a flyer/brochure on slick paper to distribute especially to Freshman. The guys from Industrial Design stated that they could help in the layout and graphics of flyer.

Meet-n-Greet:

Brad wants to have more social time within the BC. He proposed getting together at Girard Park, grilling burgers, and having family and members mix. This would develop more camaraderie between members and help with teamwork.

Officers:

The group was asked if there were any nominations for Secretary. Only one was nominated, Medgine Seraphin. Medgine was not at the meeting, but had expressed her interest in the office and her willingness to serve. The group unanimously voted in favor of Medgine for Secretary.

The group also discussed the Communication Officers and the following people volunteered: Tony, Tyler, Vickie, and JoAnn (if needed).

Meeting Schedule:

Rose has confirmation the next 2 meetings will be in the Teche Room upstairs at the Student Union at noon with easy elevator access. The BC members that cannot attend the meetings due to their class schedules will be notified through the minutes and the communication officers.

Meeting adjourned at 1:45pm.
